Re: Endorsement

Dear Ms. Dillard:

The Bartram Group and the South Carolina Chapter of Sierra Club are pleased to announce that they officially endorse your candidacy for the South Carolina Senate.

Your commitment to the environment is reflected in your voting record on City Council. You consistently vote to preserve and protect Greenville's natural resources for all to enjoy.

If you want us to, we can do a press release or a press conference at such time as you deem best.

If you have any questions, please call me at 213-9504. Thank you.

Sincerely,
